APRIL / MAY 2022

We're STILL Getting Boosted!

If it seems like all we talk about is vaccines, what can we say, it's a big part of what we've been doing at thehub for the last eight months. While we're looking forward to showing you a couple of exciting things we're looking forward to at thehub, we want to keep shining the light on the ongoing vaccination effort at thehub, making sure to mention that the hard work of the Kilbirnie Unichem Vaccination Team, as well as everyone in the Eastern Suburbs, is ensuring we can keep our community connecting. Thank you all!

Rugby Season Is Ipon Us

Every April we go back to our roots and open our doors to Ponēke Football Club and their supporters. While this year may see some being more careful or a little more distanced than they have been in past years, we have no doubt that the level of enthusiasm will remain the same.

While the seniors start shortly in April, it is only a matter of weeks before the juniors and nippers kick off their early morning Saturdays, and we all know what that means—thehub café team will be back at it!

With a tagline like You Belong, what better way is there to show the community what safe gathering looks like in the cautious times we're in then to come out for some Saturday rugby and cheer for Red and Black until you're blue in the face.

We look forward to seeing you on Saturdays these next few months, and we thank you in advance for being mindful of your surroundings, the comfort level of those around you, and making sure that every member of the team of five million is just as supported as the women and men you're cheering for on the field.

Get your vaccine at thehub! You can book online [here](#). and join some of the often 100+ people a day getting their vaccines at thehub. While you're here, check out our spaces, and let us know if you'd like to rent some space for an upcoming gathering.

Catering at thehub

We are always looking for new ways to help with our bookings, and over the last year we have spent a lot of time understanding your food and catering needs. As a result, we are feeling well equipped and v excited to be moving in to summer with updated catering abilities and plans to share with you all.

Whether you're looking for a catered lunch meeting, morning or afternoon tea, finger foods or a buffet, our wonderful staff in thehub kitchen have what you need.

If you have any questions or inquiries about what we can offer your function, don't hesitate to e-mail toituhub.ops@gmail.com for more information.
