AUGUST 2020

## Winter is upon us!

We're excited to bring you updates on the latest happenings at thehub. In this edition we will have for you updates on the ongoing rugby season, on some exciting times had here over the last school holidays, as well as some updates on what is happening with food and beverage over at thehub.

## hubcrew - A Note About Our Bar Staff

Perhaps some of the biggest news at thehub is our further expansion in to food and beverage. We are very excited to fill you in, but first we would like to take a moment to make special mention of our dedicated bar staff. For the last year our bar staff have been the cornerstone of our food and beverage operations, and we simply would not be where we are without them. As we continue to grow, we want to make sure we acknowledge the ongoing contributions of the people who have made this possible. Thank you to everyone working on our bar, and particularly our duty managers for keeping everything running smoothly, no matter the circumstance.

Thank you team. Always.

## Food and Beverage at thehub

As for news! We have recently brought on two new chefs and our very excited for what they will add to thehub.

A few new menu items we would like to feature are our breakfast menu including smash avo on toast, a delicious breakfast sandwich, a hearty and healthy muesli, and for hungriest among us, a full breakfast. All items range between \$8 and \$14.

We are also offering a soup of the week, as well as our buttermilk chicken burger which has quickly become a classic.

We have also started up a café on Saturday mornings! What a delight it is to see happy families on Saturdays, and be able to give them the boost they need. Vanessa and Ethan are our caffeine (and non-caffeinated) magicians, working hard to get everyone what they need to start their weekend right.

## School Holidays at thehub

Once again we were blessed to have Infinity Kidz with us over the school holidays. For two weeks thehub was full of laughter and energy as the participants of this wonderful program brought their enthusiasm to thehub. Throughout their time here the participants took part in cultural festivities and the occasional video game in our South Lounge, they enjoyed games and space to run around in the Green Room, and there was even a very luxurious set up for a small spa day in the North Lounge.

We look forward to hosting Infinity Kidz again during the next school holidays. If you would like to register with them, please get in touch at [infinitykidz2020@gmail.com](mailto:infinitykidz2020@gmail.com).

## Poneke Football Club

After an understandable but unfortunate delay we are back in to rugby season full swing! It has been wonderful to see so many people at thehub and out on Kilbirnie field, ready to cheer for their favourite Poneke players. We've had a mix of conditions as we've gotten in to the season, but no one has been deterred. From the pups in the green room in morning, to the juniors out on the field as the sun becomes it's brightest, to the seniors and premis in the afternoons, Saturdays at thehub have been full of Poneke Football Club spirit and it's been wonderful to see.

## Getting Back To Normal at thehub

We've been happy to see the return of some of regular activities like fencing, darts, and yoga. As a great compliment to a regular practice of Yoga with Penina (Mondays and Wednesdays 6pm-7:30pm and Saturday mornings from 9am-11am), we have also welcomed a regular booking of acro yoga for anyone who wants to try partnered yoga (Tuesdays 6-8pm).

If you or anyone else you know would like to book space with us to help us as we continue to grow our community, please get in touch at [toituhub.ops@gmail.com](mailto:toituhub.ops@gmail.com)
