JUNE 2021

Let It Rain...

It's not like we really have a say in the matter do we? And so we live with the rain, and relish the bright - possibly even warm - spots between the downpours. As we inch closer to the shortest day of the year it seems as though everyone is on the same familiar downswing, both needing and taking a little more rest. As always, thehub is here - lights on, heat flowing - ready to provide a warm dry space for you and yours. We're looking forward to seeing you, rain or shine, in the months to come. Don't hesitate to reach out if you've been thinking about something new and exciting we could do together – you can get in touch at toituhub.ops@gmail.com

hubhappenings - Can you handle the quiz?

Quiz Night is approaching fast and we are absolutely over the moon about it.

Tickets are selling quick so make sure you get yours!

We are on a mission to provide more community structure and support here at thehub, and so we're quite excited about our first Quiz Night.

Proceeds from the night will go towards foundation and member clubs that take part, so put some butts in seats and make your club some money!

There will be:

- snacks and a cash bar
- prizes for 1st place, 2nd place, and 2nd last place.
- spot prizes for best dressed table.

\$20 per person, 8 people max per table.

Independent participants welcome, we'll find you a quiz table.

Are you a trainer with personal or group fitness classes, and struggling to find space to run them?

Are you a dance instructor who just can't find the right floors at the right time?

We may have the spaces for you. With a fully kitted athlete's gym, a covered turf field, a carpeted room, and a room with hardwood floors, thehub is the perfect place for freelance fitness professionals looking for the right space. Get in touch at toituhub.ops@gmail.com to arrange a viewing.

School Holidays at The thehub

It's almost that time again – as we look ahead to the July school holidays, we hope you'll keep some **hub** happenings in mind.

One of our regular bookings consistently joins us during school holidays – we are happy to welcome back Fencing's holiday programme. The poise and discipline required to fence is nothing if not impressive. What an impressive outlet and skill set to offer participants.

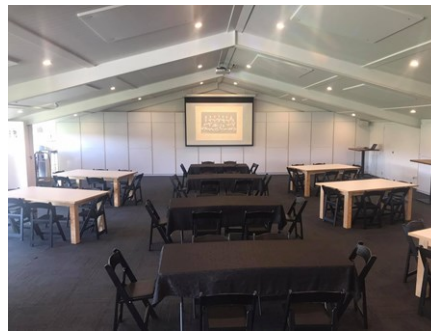

Infinity Kidz is back once again to join us over these upcoming school holidays. We have gotten used to the joy and energy this program brings to thehub, but that doesn't mean we take it for granted.

If you have any questions, please reach out to toituhub.ops@gmail.com

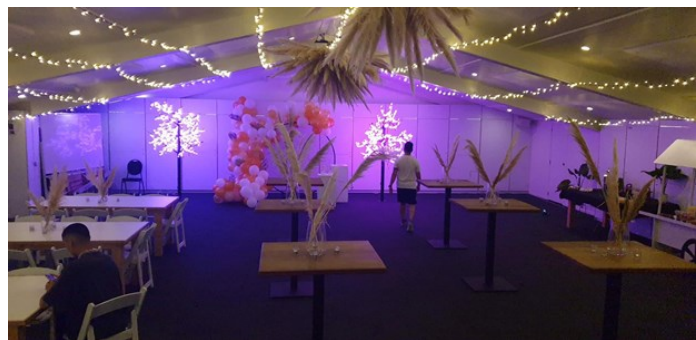

Traditions & Transformations at thehub

Earlier this month we were honoured to host Ponoke Football Club's Oldtimer's day – an annual tradition we are always delighted to be a part of. This year we were particularly proud of the spread put on by thehub catering crew as they fed over 50 honoured members of our community.

Something very notable also happened that day – it's the kind of thing that is commonplace for those who work at thehub day in and day out, and is very cool, but may not be something every community member gets the chance to see—the transformation of one of our spaces.

One thing we love about our spaces is just how many things they can become to different people – after the Old Timer's luncheon had wrapped up, the NZCT room was cleaned, and another group came in to start decorating for a party that night. The afternoon to night transition was one of our favourites, and we wanted to take a moment to highlight for you just how versatile the space is, and what can be done in a short period of time in our spaces.

Venue for Hire

We have a variety of spaces available for hire from 6am until 10pm, 7 days a week. We cater for meetings, conferences, parties, weddings, functions, training and so much more. Minutes from the airport and city, modern facilities with views over Kilbirnie Park. Spaces can be hired by the hour and there are special rates for community and non-profit organisations.
