OCTOBER 2021

Spring is here!

With daylight savings having come and gone, we can now begin to enjoy more hours of sunlight than not in a day. With that additional time we are looking forward to seeing some sunflecked faces enjoying the **hub**, and we are very excited to soon see people enjoying time with their friends and family as the sun sets over Wellington. While we still have the vaccine clinic running strong, and we are far from free of the rainy season, we are enjoying the beginnings of warmer weather, and the suggestion of summer.

Spotlight on SMOG

We would love to tell you more about SMOG – St Mary's Old Girl Netball – our most recent foundation club. What better way to do this than to hand over the page and let them speak for themselves—

St Mary's Old Girls Netball (SMOG) is one of the oldest and largest netball clubs in our region, fielding approx. 12 teams

right through from Premier to Senior grades, including 2 teams in the top Premier One competition in Wellington. We pride ourselves upon being a well governed, structured, organized and financially stable club. We have had players such as Sandra Edge, Irene van Dyke and Karin Burger wear the 'blue dress' as well as having produced a large number of high-performance players through the representative levels.

We are also a club that enjoys nurturing the social elements that the game of netball provides our players and members. Therefore "**having a sense of belonging to the game we love**" through 5 key values are the foundations upon which SMOG Netball Club is built: enjoyment, inclusiveness, fairness, supportiveness, and diversity.

We are immensely proud of our affiliation to the **hub** - the **hub** offers all our members access to other sporting communities that may serve both a personal or professional purpose and provides the unique opportunity for our club to become connected with other sporting codes. !

Get your vaccine at the **hub**! You can book online [here](#). and join some of the often 500 people a day getting their vaccines at the **hub**. While you're here, check out our spaces, and let us know if you'd like to rent some space for an upcoming gathering.
